SHABIHA PARVIN SHILA

Software Developer | Full-Stack Web Developer

Email: parvin.shabiha234@gmail.com | Phone: +880 170 161 7451
GitHub: github.com/shabihashila | LinkedIn: linkedin.com/in/shabiha-shila-9323802a2
Location: Dhaka, Bangladesh

PROFESSIONAL SUMMARY

Software Developer specializing in **.NET technologies**, with practical experience in developing web applications using **C#, ASP.NET Core, Entity Framework Core, and SQL Server**. Experienced in building and testing **RESTful APIs**, designing responsive web interfaces with **HTML, CSS, JavaScript, and Bootstrap**, and maintaining scalable backend systems.
Completed internship at **Mutual Trust Bank PLC**, where I contributed to real-world web application development, debugging, and system documentation.
Passionate about learning new technologies and improving application performance, security, and scalability.

TECHNICAL SKILLS

Backend Development
C#, ASP.NET Core, .NET Core, RESTful API Development, MVC Architecture, Object-Oriented Programming (OOP), Entity Framework Core, LINQ

Frontend Development
HTML5, CSS3, JavaScript, Bootstrap, Responsive Web Design, UI Implementation

Database
Microsoft SQL Server, Database Design, Stored Procedures, Functions, Views

Tools & Technologies
Git & GitHub, Postman (API Testing), Visual Studio, VS Code, IIS

PROFESSIONAL EXPERIENCE

Software Developer Intern | Mutual Trust Bank PLC

- Developed and maintained web applications using **ASP.NET Core** framework, implementing secure and scalable backend logic
- Built responsive user interfaces with **HTML5, CSS3, Bootstrap, and JavaScript**, ensuring cross-browser compatibility and optimal user experience
- Conducted comprehensive **API testing and manual testing** to validate application functionality, identify bugs, and ensure quality assurance standards
- Designed and implemented front-end web layouts following modern design principles and accessibility standards
- Collaborated with development team using **Git/GitHub** for version control and code review processes
- Utilized Microsoft development tools and Excel for project documentation, progress tracking, and technical reporting

- Participated in agile development cycles, contributing to sprint planning and code deployment activities

EDUCATION

Bachelor of Science in Computer Science & Engineering
American International University-Bangladesh (AIUB)
Graduated: 2024 | CGPA: 3.34/4.00

Higher Secondary School Certificate (HSC)
Adamjee Cantonment College
Graduated: 2019 | GPA: 4.67/5.00

Secondary School Certificate (SSC)
Muslim Modern Academy
Graduated: 2017 | GPA: 5.00/5.00

ACADEMIC PROJECTS

AIUB Book Store Management System
Technologies: C#, SQL Server, Windows Forms
GitHub: github.com/shabihashila/Aiub-Book-store-management

- Developed a comprehensive book store management application with inventory tracking, sales processing, and customer management features
- Implemented database architecture with normalized tables and optimized SQL queries for efficient data retrieval
- Created intuitive user interface for store operations including book catalog management, transaction processing, and reporting
- Applied OOP principles including inheritance, polymorphism, and encapsulation for maintainable code structure

RESEARCH EXPERIENCE

Blockchain-Based Transparency and Accountability System for Charity and Donation Tracking

- Researched blockchain technology applications in non-profit sector for transparent fund management
- Explored smart contract implementation for automated donation tracking and accountability
- Analyzed security considerations and scalability challenges in blockchain-based charitable systems

LEADERSHIP & EXTRACURRICULAR

Member | AIUB Social Welfare Club - SHOMOY

- Participated in community service initiatives and social welfare programs
- Collaborated with diverse teams to organize events and outreach activities
